Wadia Women's College Campus Athwalines, Surat – 395001, (O) 0261-2460995

## ABOUT US

### About Vidyamandir Society

Vidyamandir Society is a well-established educational trust committed to providing quality education with strong ethical values. The trust has been in the field of education since June 1949. The trust established an Arts College for women, which was then known as Vidyamandir College for women. Later on the said college came to be known as Zal Faramroz Wadia Women's College. In the year 1983, management added the Faculty of Commerce and the college was named Z. F. Wadia Women's College and N.K. Jhota College of Commerce. In the academic year 2001-2002 the society has started offering B.C.A. course under the institute namely Vidyamandir College of Information Science later on in 2005 renamed as Smt. Tanuben & Dr. Manubhai Trivedi College of Information Science. Through its institutions, the Society aims to empower students—particularly women—by nurturing academic excellence, leadership, and social responsibility, helping them grow into capable and confident professionals.

### About Smt. Tanuben & Dr. Manubhai Trivedi College of Information Science

Smt. Tanuben & Dr. Manubhai Trivedi College of Information Science is a well-established higher education institute in Surat, Gujarat, managed by the Vidyamandir Society. Founded in 2001, the college offers quality education specializing in Information Technology and Computer Applications, with a strong focus on empowering students—especially women—to excel in the digital age. The college is affiliated with Veer Narmada South Gujarat University and is known for its academic excellence, discipline, and supportive learning environment. It prepares students to become skilled professionals ready to meet the evolving demands of the IT industry.

### About COMBATT Fest

ComBatt is designed to test problem-solving ability, technical expertise, and analytical thinking of participants. It's a competitive platform where participants challenge their skills, knowledge, and creativity to emerge as winners.
